

8' Tagline Stanchion Post

The stanchion post shall be fabricated of 1.90" x .145" 304L Stainless Steel Round Tube. It shall be 96" in overall length and have a ring on its top surface and a cleat for winding line. The stanchion post shall have bent two support legs attached to its lower end.

Anchor

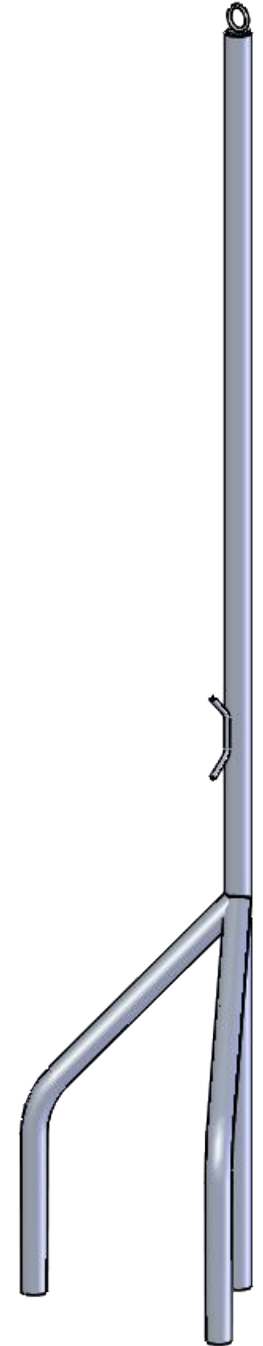

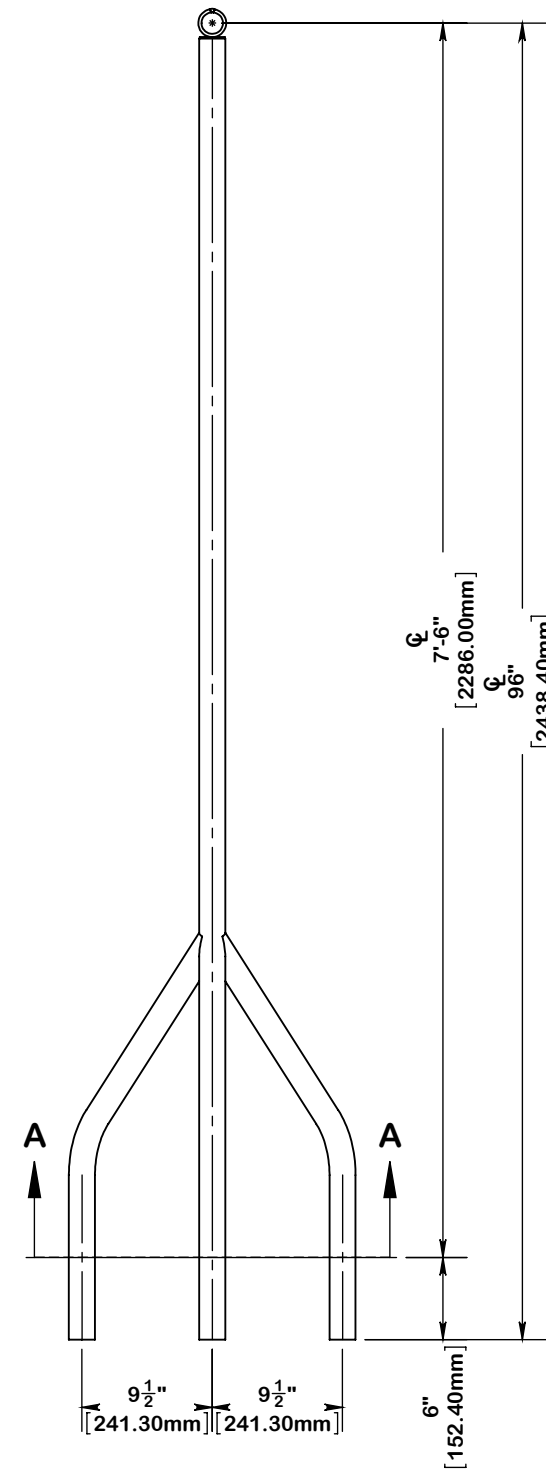

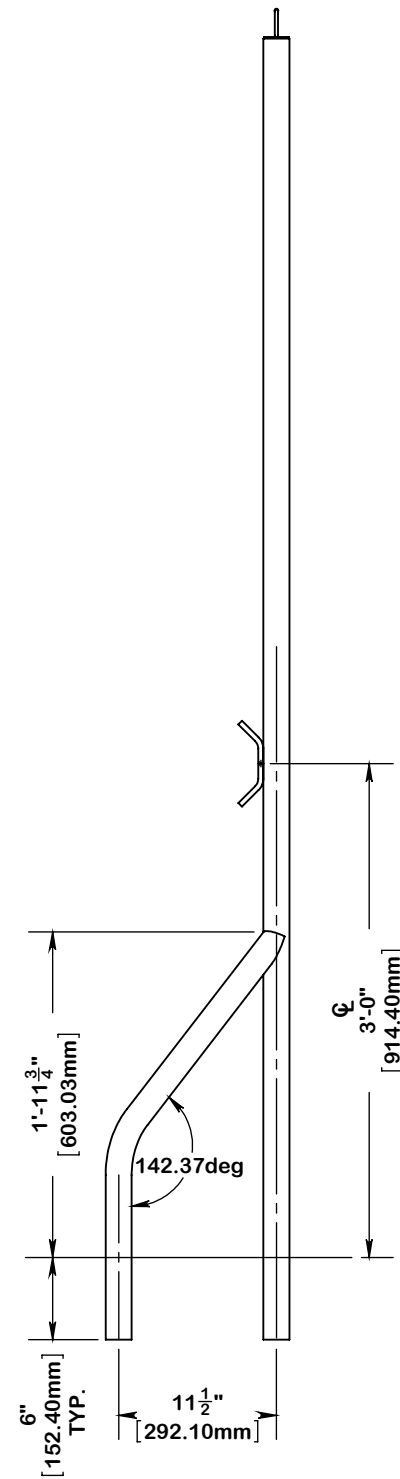

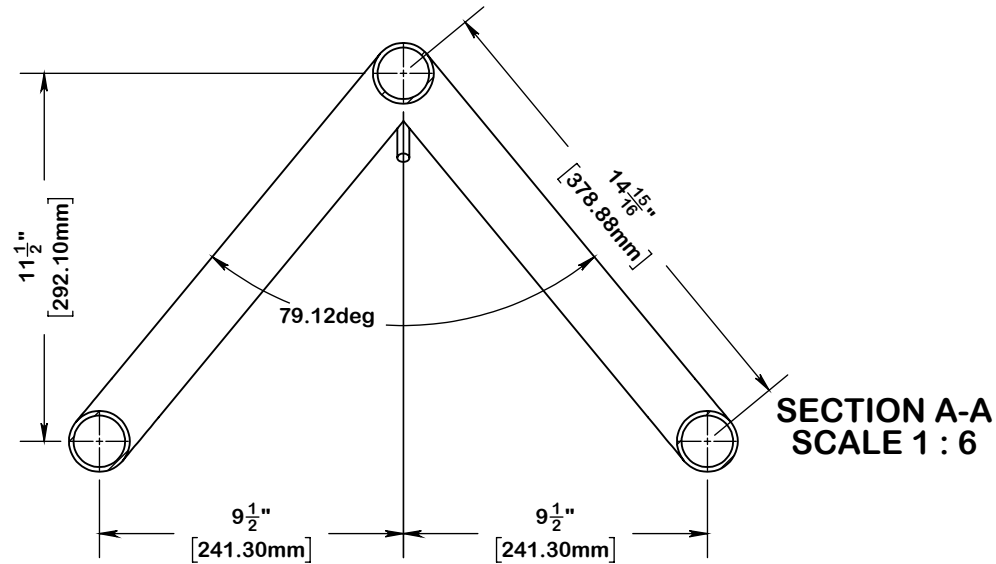

The stanchion post shall be supported by a 1.90" x 6" Tagline Anchor Assembly, P/N 1810360. This item is sold separately.

Cleat

The stanchion post will be equipped with one (1) stainless steel cleat. The cleat shall be fabricated from .375" stainless steel round bar. The cleat shall be welded to the main post of the tagline stanchion.

Warranty

Spectrum standard warranty.
